

# DELAFON BATH

The Delafon bath is a reproduction of a French Jacob Delafon original French cast iron bath (Circa 1900) and has a luxurious wooden roll. The bath is cast in England from recycled brake discs and is shown with a painted exterior and decorative blue line, as featured on the original. The bath can also have a polished & lacquered or patinated exterior finish.

Length: 1610mm / 63.5"

Width: 740mm / 29"

Height: 660mm / 26"

Weight: 159kg / 351lb
