

DELAFON BATH WITH LION FEET

The Delafon bath is a reproduction of a French Jacob Delafon original French cast iron bath (Circa 1900) and has a luxurious wooden roll. The bath is cast in England from recycled brake discs and is shown with a painted exterior and decorative blue line, as featured on the original. The bath can also have a polished & lacquered or patinated exterior finish.

Cap and lining kit is available to take waste into the floor

Combined waste and overflow 1 1/2" BSP.

For UK: if not using cap and lining kit, no adaptor is needed. If using a cap and lining kit, the adaptor will be 1 1/2" BSP and part of the kit.

For USA: if not using cap and lining kit, waste is supplied with a BSP - IPS screw adaptor which adds 18mm to waste length. If a cap and lining kit is required, the adaptor will be part of the kit and a 1 1/2" IPS adaptor is supplied.

We only supply fittings above the floor. We do not supply the trap; the trap needs to go beneath the floor. Dimensions are given in mm, they are a guide only and may vary from bath to bath.
